Cal OES INLAND REGION

Oroville Dam Spillway Scheduled Water Release, Butte County

On 03/31/19 at 1126 hours, the California State Warning Center was notified by the Department of Water Resources (DWR) that the Emergency Action Plan (EAP) for Oroville Dam High Flow Operations was activated. This is a precautionary measure only. No hazard or threat to the Oroville Facilities exists.

Per DWR as of [04/05/19 at 1334 hours](#):

- Due to forecasted storms, DWR plans to increase total releases to the Feather River to up to 30,000 CFS (cubic feet per second). starting today, 04/05/19.
- The Spillway is currently releasing water at a rate of [14,800 CFS](#).
- The Hyatt Power Plant (at the base of the dam) is releasing 10,500 CFS.
- Approximately [25,000 CFS](#) is being released into the Feather River
- DWR will continue to notify local emergency management agencies and entities along the Feather River of significant changes in releases from Lake Oroville.
- Cal OES Dam Safety will stay engaged with the dam owner throughout the water release and keep the CSWC up to date if anything changes.
- The CSWC will continue to monitor the situation and provide updates as they become available.

Cal OES COASTAL REGION

- Nothing significant to report.

Cal OES SOUTHERN REGION

- Nothing significant to report.

SITUATION SUMMARY

Cal OES
GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-756, 04/04/19 at 1955 hours:** Request from Santa Clara SO to support Milpitas PD on a missing person case from 03/07/19. Subject, WMA 63 years old walked away from his home in Milpitas on that day after an argument with his spouse, possibly was suicidal. Has not been seen since walking towards Ed Levin County Park. Request is for 5 type C1 or C2 K9s with flankers and 10 Type II ground searchers to assist on 04/07/19 at 0800 hours. Requests made to San Mateo County SAR and the State K9 Coordinator. **MISSION ONGOING**
- **2019-LAW-748, 04/04/19 at 1655 hours:** SAR assistance request from Madera SO for an overdue cross country skier that is attempting to do the 50 Mile Ski Route (or Yosemite High Route). 58 years old male was supposed to meet with his friend on 04/03/19 at Mammoth Mountain. He is traveling alone and without a GPS emergency device. Madera SO requested local air support (H-40 Fresno) but they could not fly due to poor weather. Request was made from Madera SO for California National Guard (CNG) air support ASAP. CNG was not able to fly due to the weather, will reevaluate first thing in the morning on 04/05/19. **MISSION ONGOING**
- **2019-LAW-580 03/29/19 at 1432 hours:** Sacramento County Sheriff's Office requested 3 water HRD K9s in reference to a possible drowning of a 42 year old man in the Sacramento River. The male went into the river to save his one year old child. Child was spotted by a CHP helicopter as a part of the response and then transported to UC Davis. Male has not been located. CALOES LEB canine coordinator is coordinating the request. Update 2016 hours SCSO requested Contra Costa Dive Team be put on stand by for tomorrow for continued search. Contra Costa dive team has accepted the mission. **Update 03/31/19:** Search has been suspended due to unsafe conditions for searchers/divers in the river. The speed of the river and limited visibility has created to great a risk to continue at this time. **Update 04/04/19:** Tulare County SO is assisting in the search with Side Scan Sonar and ROV. **Update 04/05/19:** Tulare County will remain with their equipment and continue to assist in the search. **MISSION ONGOING**
- **2019-LAW-526, 03/27/19, 0830 hours:** Santa Cruz SO, requested 7 HRD canine teams to assist with a Law Enforcement sensitive mission. Mission scheduled for 04/06/19. Cal OES LEB canine coordinator is coordinating the request. **MISSION ONGOING**

Cal OES MISSION TASKING

Cal OES Missions

- **2019-SOUTHERN-621:** Request for Caltrans District 7 rock slide blasting on a county maintained road. Yerba Buena between PCH and Yellow Hill Road. (On Scene)
- **2019-SOC-275:** Request for Caltrans Engineer to provide initial technical assistance and determine the scope of the storm drain assessment project alongside city contractors for the town of Paradise. (Coordinating)
- **2019-SREOC-57753:** Requesting equipment to excavate material from under road culverts. (On Scene)
